Accuracy

Q8: What, if any, changes would you recommend IMPRESS make to this clause?

No exceptions and full powers to levy punitive penalties for failure to comply. For example, a news outlet reports that say a study from a third party shows that there is a cure for cancer when that study states that there may cause to say that a cure for some types may have been identified.

Q9: What recommendations would you make for guidance to this clause?

All clauses to be worded in such a fashion that publishers cannot effectively 'drown' verdicts with appeals and counter claims.

Attribution

Q10: What, if any, changes would you recommend IMPRESS make to this clause?

Publishers must not interpret the source results e.g a source close to and then publish a smear

Q11: What recommendations would you make for guidance to this clause?

Careful not to breach reporter confidentiality unless it has been broken eg hacking

Children

Q12: What, if any, changes would you recommend IMPRESS make to this clause?

all of the above

Q13: What recommendations would you make for guidance to this clause?

breaches dealt with harshly

Discrimination

Q14: What, if any, changes would you recommend IMPRESS make to this clause?

all of the above

Q15: What recommendations would you make for guidance to this clause?

punitive damages capability

Harassment

Q16: What, if any, changes would you recommend IMPRESS make to this clause?

how will you make C enforceable with freelancers

Q17: What recommendations would you make for guidance to this clause?

Justice

Q18: What, if any, changes would you recommend IMPRESS make to this clause?

define payments within the law would that include donations to third party organisations?

Q19: What recommendations would you make for guidance to this clause?

Again punitive damages

Privacy

Q20: What, if any, changes would you recommend IMPRESS make to this clause?

plus all digital data attributed to said person

Transparency
