

## **IMPRESS Code Review: Call for Evidence**

### **Geoffrey Hartwell Submission**

Clause: Fairness

Submission:

The Arbitration Act 1996 provides, at s.1(a), that (a)the object of arbitration is to obtain the fair resolution of disputes by an impartial tribunal without unnecessary delay or expense; The evidence I have to offer is that the training of CIArb, and the teaching of LLM in Dispute Resolution, both within my experience have fairness as a central theme.
